### **Business:**

- a. Ordinance 2017-02 – Act 172: Solicitor Max O’Keefe opened the public hearing to consider the enactment of Ordinance 2017-02. The purpose of the Ordinance is to create a tax credit for individuals who reside in the Township who volunteer as firefighters or emergency medical personnel. Solicitor O’Keefe named the following Board exhibits:
- Exh. 1 – Draft of Ordinance 2017-02;
  - Exh. 2 – Public Notice;
  - Exh. 3 – Proof of Publication on March 20, 2017.

The Solicitor asked for comments or questions from the Board. Chairman Auerbach commented on the importance of the services provided by the volunteers and expressed his total support for approving this ordinance. Hearing no further comments, Solicitor O’Keefe closed the hearing and called for a motion.

Mr. Snyder moved, seconded by Mrs. Dea, that the Board of Supervisors enact Ordinance 2017-02, amending Chapter 24, Taxation Special, and adding a new Part 4, Volunteer Service Tax Credit, and amending Part 1, Earned Income Tax. Motion passed 5-0.

- b. Avon Grove Library Board: Mr. Auerbach introduced this topic which involves the resignation of the current Township representatives on the Library Board and the appointment of Township resident, Ms. Shelly McCoy as their replacement. Ms. McCoy gave a brief summary of her qualifications which includes 18 years of library experience. Mr. Auerbach moved, seconded by Mr. Torres, that the Board appoint Shelly McCoy to be the Township’s representative on the Avon Grove Library Board for an unexpired term. Motion passed 5-0.

Mr. Auerbach questioned the relevance of the library in today’s electronic age and suggested that perhaps Ms. McCoy could provide some insight after she gets settled in as a board member. Ms. McCoy was happy to do that, but also expressed her opinion, based on her knowledge and previous experience, that the expertise and ability of a trained library staff to help determine the true and relevant facts in any research project, is extremely valuable. Also the library serves as a resource for the public who otherwise do not have access to computers and to students who attend schools that do not offer library services. She also suggested that the library is a good resource for those in need of career guidance and resume preparation, and serves as a community center for meetings and presentations on various subjects.

- c. Abel Extension through October 2017: Mr. Torres moved, seconded by Mr. Snyder, that the Board grant an extension to the review clock for the Abel Subdivision to October 19, 2017. Motion passed 5-0.
