INSTRUCTIONS

Complete all above sections of this form and submit with a check or money order made payable to the Pennsylvania Department of Transportation, in the amount determined by the Department. Submit a separate application for each posted highway section (including bridges thereon), for each separately posted bridge and for each vehicle or combination. Justification for the permit should also be provided. Upon review of this application, the Department may approve the request by issuing the permit below.
 Applicant - Do Not Write Below This Line

PERMIT TO EXCEED POSTED WEIGHT OR SIZE LIMIT

The above application is approved subject to Section 4902 of the "Vehicle Code", and all appropriate Department Regulations (in particular, 67 Pa. Code Chapters 189, 191 or 193) and subject to any special conditions or restrictions set forth herein or attached hereto. This permit does not authorize the permitted vehicle to exceed any maximum size or weight limit. This application/permit shall be carried in the permitted vehicle while traveling upon the highway or bridge specified above (except Type 2 permits which authorize use of a particular posted highway or portion thereof by any number of over-posted-weight vehicles being driven to or from a common destination.)
